

# STRONGEST *IN ESTONIA* 2017-2021

The international credit information company  
AS Creditinfo Eesti hereby certifies that

## Odav Print OÜ

has achieved a constant A-group credit rating over the past five financial years. This is proof of the contribution to the development of the Estonian economy and honest business culture. A high rating is an indication of excellence: only 3,8% of Estonian companies can claim a stable high rating.

Creditinfo Rating is an assessment of a company expressed as a cumulative grade based on economic, financial and payment behaviour. The rating is calculated on the basis of economic data from 2016-2020.
